

Adelaide Nash Hash '21 Newsletter #4.

Dear #surname#,

Those coming to Adelaide Nash Hash in 2021 should **pay** their registration before the price rise (if they haven't already) and **book** accommodation soon to get the best deals.

If you have registered and haven't paid be aware that the price increase applies from the 1st of May. The current price is \$360.

From May 1st it will be \$410 - until at least the end of this year.

We still have 58 pledges from Croc Hash without T-shirt sizes, run preferences etc. If you haven't already, please submit a full rego form with these details through the [website](#). We need confirmation of your details for planning purposes and you need to get a T-shirt which just might fit!

Remember your registration is not final until it is paid up. Check your name on the website [Who's Coming](#) page to see if you are recorded as fully registered. Pay up or query your status if there is a **No** against your name - email rego@adelaidenashhash.com.

We currently have the names and contact details of 755 hashers who have registered an interest in coming to Adelaide Nash Hash. 669 of these have fully paid and we expect a lot of payments in April before the price rise. We're hoping there will be around 850 of you at the event so we can afford to put on a great Nash Hash.

We have 10 of our Promo T-Shirts (as sold at Croc Hash) for sale. These are \$25 each including postage within Australia (a bit more for overseas). Contact info@adelaidenashhash.com if you are interested.

Coopers

have agreed to sponsor our event by assisting with much needed bar equipment and great prices. They will be the only beer supplier. We plan to order keg and cans – and Coopers will also provide Thatchers cider.

We are also chasing up good quality South Aussie wine at great prices.

Bicycle hash on the Saturday needs more numbers to provide facilities. We only have 14 listed. If you want to do the bike hash then please confirm by email to rego@adelaidenashhash.com There will also be a bicycle hash prelude ride over three days before the red dress run on Thursday evening. Details will be on the web soon.

The Harriettes Lunch venue is booked for Friday 19 March 2021. Watch the website to register (and pay) soon.

A new caravan park is under construction at the Wayville Showgrounds and is the closest one to our venue at the old Adelaide Gaol. See <https://www.ascp.online> and register your email with them if you are interested before booking commences.

Accommodation should be booked early. Online bookings will be available from approximately Mid-March (one year ahead). There is a big conference in Adelaide at Nash Hash time so get in early. If we can assist in making a group booking (would need to book 10 rooms minimum) let us know **now** by email to rego@adelaidenashhash.com

The closest accommodation, [Adelaide Riviera Hotel](#) on North Terrace and [Breakfree Apartments](#) in Hindley Street, will be much sought after. More details are on the website under [transport and accommodation](#).
